

THE NEW ITALIAN INSIDE THE NEW NORMAL!

Earn a certificate for four Professional Development hours

Primo Incontro Thursday, August 20, 2020 from 10 am to 2:00 pm ET.

The Italian Teacher Association of New Jersey is elated to celebrate their 20th Anniversary by offering this year's "Primo Incontro" gratis to all current members of both ITANJ and all K-12 members of the American Association of Teachers of Italian. Explore how to incorporate NEW authentic resources in varied teaching models; hybrid, fully online or in a traditional classroom.. In addition to sharing exciting resources, we will help you capture the attention of Italian learners, and show ways to use the resources for both classroom activities and for assessment. We are proud to have both Maria Gloria Borsa and Matilde Fogliani as our presenters. Please see their individual program descriptions and bio in the link below

Presenters Bio and Program Details

Our program includes two separate presentations, as well as break out rooms to allow opportunities to create practical materials while networking with other Italian teachers. ITANJ is excited to provide Primo Incontro free of charge. To also honor our students we will randomly select three participants, issuing a \$100 award to that school/district. The award is intended for a graduating Senior who studied Italian for four years, and promoted Italian language/culture at the school. Districts will select this senior. We would like to expand the number of awards. If you would like to help, please donate \$10.00 when completing the registration form. We hope to collect enough money to offer additional awards. We will use "Wheeldecide" and select the winners at the end of our program

Registration is limited and will be accepted until Monday August 17. Questions? Please email Silvana at sberardo@comcast.net or Teresa at sengeltn@gmail.com
