GUIDELINES

Passage of the Italian CSET Language Sub-Test does not provide you with an Italian Teaching credential. Only the California Commission on Teacher Credentialing can evaluate if you are entitled to an Italian Teaching Credential after completion of a credentialing program. To take the other sub-test of the Italian CEST (Literary and Cultural Texts and Traditions; Cultural Analysis and Comparisons) you must register for it on the CCTC website (www.ctc.ca.gov). You must pass both sub-tests and comply with other CCTC requirements to obtain an Italian Teaching Credential. It is the responsibility of the candidate to inform themselves of all the requirements necessary to obtain a Single Subject Credential by visiting the CCTC website.

I hereby certify (or declare) under penalty of perjury under the laws of the State of California that all the foregoing statements in this application are true and correct.
